Little Lamb goes back home. At bedtime, his mommy reads him a story. Little Lamb loves his mommy very much. After listening to the story, he falls asleep. He dreams about school, and, in his sleep, he listens to Lisa's bell: l, l, l, l, l, l, l, l...

Soon afterwards, Lisa, the teacher, comes out and shakes an old bell that makes a funny sound: l, l, l, l, l, l, l, l... All the animals gather around Lisa and follow her inside towards the classroom.

## The Rabbit and the Rooster

Oneday the rabbit was playing  
with his friend the rooster.

They were running after each other  
around the rocks and roses  
and rolling on the grass.

Suddenly the sky started raining,  
the rabbit jumped in the rain  
and the rooster walked like a robot.

When the rain had stopped,
