

Pre9

Rana Kordzari

Song

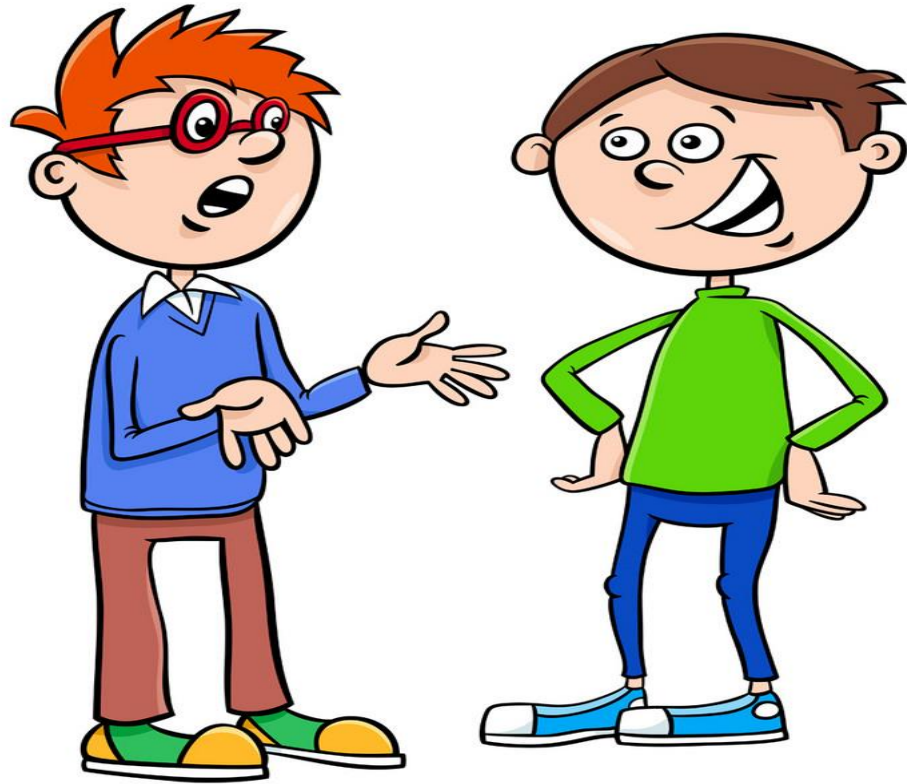

Your teeth are important in many ways. You should take care of them. Do you know why?

I can chew food well and I will grow up.

Help me speak well.

Help me to have a pretty smile.

How should you brush your teeth?

brush your teeth twice a day.

Don't Brush your teeth very fast.

Put a little toothpaste about the size of a pea.

Color it: Brush your teeth twice a day.

Take care of your teeth
Select and circle healthy teeth pictures and color them

Color the pictures.
I can chew food well and I will grow up.
