Video's important words

Just learn to use them when you're talking about the video

Used to: if you do something a lot, you used to it. For example: i used to play football everyday, they used to go to travel every year.

Thought: the voice in your mind and head.

Share: Share means to give some of what you have to someone else.

Permission: when you ask your mom to let you play games. Or when you ask your dad to let you invite your friend. (animals ask lion to go out of the jungle too)

Cunning: someone who can trick people

Proposal: to tell someone something is a good idea. (idea is something that is in your mind just like thought)

Comfortable: relax, relaxing
