Story

This is a story about zak that his relatives are visiting .

Uncle and aunt, are here!

Zack and Vava are their nephew and Rita is their niece. family greets them and they come and sit on the sofa.

Zak who has got one brother and one sister is playing with his cousin and his mum is greeting his uncle and aunt .They're asking about how was the school today.

dad is standing next to the door and pictures of grandma and grandpa is on the wall and they look happy.

Little brother is eating his cookies . There are 2 cookies on the plate and there is 1 cookie in his hand. There is a picture of a baby in the left corner of the house on the table.

The family is talking about how many family members they got and they look so happy.

Manual jobs (Physical job)

**Construction
worker**

Firefighter

Farmer

Chef

Desk jobs (Office jobs)

Teacher

Writer

Graphic
designer

Judge

What are the advantages and disadvantages of Desk-jobs?

Advantages:

1. They are easier
2. They can improve your mental health (the health of the mind) because you use your mind a lot in them.

Disadvantages:

1. They can be boring because you spend a lot of time indoors (inside of a building)
2. They can make your body posture (the way you stand) bad

Homework

Answer these questions.

Memorize the texts.

Write a text and talk about good things and bad things about having a desk job freely
