The last device that I used was a laptop

First I turned it on by pressing the power button.

Next I opened the web browser.

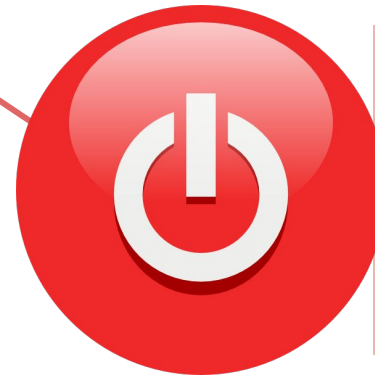

I went to school's website

After that I logged in to my account

Then I checked my homework

Finally I logged out of my account and turned the laptop off

# Homework

1. Write a text and say what was the last device that you used and say how did you use it step by step. (at least 5 steps)

Get ideas from my example.

2. Work on speaking questions to give better answers.
3. Watch Peppa pig  
up to minute 3:47
