

**ODI 2 P 4**

**Session 9**

# Question

**How and when do you use a computer?** I use my computer when I'm at home and usually sitting behind my desk. I use it for doing my homework and study. Sometimes I play video games with it too. I usually use it at nights but I try to finish my works before sleeping.

**What do you use the internet for?** I usually use internet to search for information. I search the meaning of the words that I don't know. Sometimes I scroll in social media pages to spend my free time. And I use it to listen to my favorite music and watch exciting videos on youtube.

**What is your favorite application/website?** My favorite application is my phone's dictionary because it helps me to learn new words. Youtube is one of my favorite websites. I can find lots of amazing and educational videos.

**How often do you use computer and for what purpose?** I use computer everyday mostly for my work and searching.

# Question

**Which device do you refer to use for surfing the internet?** I use my laptop to surf the internet. As you can see much more on a larger screen

**Do you enjoy using the internet?** I find it exciting using the internet. These days you can find out almost anything online and you can discover new information.

**What sorts of things do you buy online?** The items i often buy online are books sometimes Ebooks ...

**How is technology helpful to students?** when you have a project at school you can surf the net if you're looking for new ideas for doing a craft.

# How can we use internet safely

Use strong passwords

Limit screen time.

Always update your software.

Keep your information secret.

Do not click on the links that you don't know what are they.

Only visit the websites that are trustworthy.

**Limit:** To stop something from becoming a lot
