

ODI 1 P 3

Session 6

Story page 54

Waldo is sick. Rita is so anxious, she calls pet vet. Vet asks Rita to describe her pet. Rita starts to **describe** her pet. Vet says bring it to me so i can **treat** it. Rita **rushes** and takes waldo to the **clinic**. Vet asks Rita: what are the **symptoms**?

Rita says, its body is cold, it's shaking, and has **acnes** on its skin. Vet says no worries at all. I can treat it right now. I want to give it a good **medicine**. So the vet gives waldo dragon oil, and suddenly, Waldo feels **energized**. It's very happy and breathes fire. Rita says watch out waldo you're **burning** everyone!

Meaning of the vocabulary

Describe: to say how something is

Treat: if doctors treats you, they make you feel better.

Acne: little red dots on the skin

Rush: move fast

Symptom: the signs that your body shows when you're sick. Cough, Fever, Sore throat, Runny nose, Headache

Burn: to damage someone/something with fire

Energized: full of energy
